

Map My Ride

Overview:

Each of the course maps are housed within Map My Ride due to the length of the rides. These instructions walk you through accessing these maps so you will have them as a resource event day. We recommend bookmarking the routes on a computer and then accessing them through the app on your phone, but you can also do all of this through the app. These instructions are geared towards volunteers who may be unfamiliar with technology/apps. If you want to download the app first and then go through adding the routes all through the app, go right ahead.

Instructions:

1. Go to: <https://www.mapmyride.com/>
2. Choose SIGN UP if you do not have an account or LOG IN if you do
3. Once you log in, go to ROUTES – FIND ROUTES
